

As your family gathers for Pesach take time to recall the stories of earlier Seders. What were they like for your parents? Your grandparents? What special dishes were cooked? What songs were sung?

This photo, on view in our new exhibit "Stories of Service", shows a Columbus soldier near the Panama Canal. He and other soldiers were invited to a Seder given by a local family. Opening their homes to soldiers as well as their doors to Elijah, Jewish families took in Jewish soldiers through WWII.
